PIMA COUNTY FAIRGROUNDS

Arizona deserves a successful fall and winter circuit. And Arizona equestrians deserve our best efforts over the long term to make these circuits successful. We will keep at it until we have it right. As committed show managers, we simply can't allow these circuits to fade away. Because there is always a young kid or older amateur who shares our passion for horses. And we should be there for them.

You'll see a lot of changes from us this upcoming season.

First, the team. I first met Jen when she called me in the fall to chat about the fall shows. We instantly shared a common view and a passion for making Pima County shows successful. Ashley introduced me to Mo, who has a passion for making small market horse shows successful, and was excited to bring new energy to Tucson. While Jen will run the fall shows, she's a part of the team on the winter shows. And to the Arizona trainers and riders, the two circuits will work together to present five weeks of horse showing that are consistent.

Second, our commitment. The first thing Jen said was the community needed to hear that we were in this for the long term. So we started with a simple statement. We are here to bring Arizona a successful fall and winter circuit.

Third, we are focused on developing the product we offer for Arizona riders and trainers. We have some big things we need to make sure happen and some small things to make sure the shows are fun. We know the jumps need to be better. We know how to do this. We know the stalls need to be safe. We know how to do this. Footing is a challenge but we can improve the maintenance and resources applied. We'll focus on these things initially. We have adjusted our schedule based on some things Jen learned this fall. We know how to make things more fun, with better food and bigger ribbons. We'll also be prepared for whatever weather Tucson sends our way, sun or snow!! And we'll continue to adapt to what you want.

Finally, talk to us. We can only do this in partnership with the community of equestrians in Arizona. We're here.

Steve

I acknowledge that I hereby waive on my behalf and on behalf of my heirs and assigns, and fully understand the effect of such waiver, all benefits flowing from any state statute that would otherwise limit the scope of this Agreement release, including but not limited to **Section 1542 of the California Civil Code**, which provides: "A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

4. Bound Parties/Governing Law/Jury/Expiration/Time Limit/Severability/Modification: I understand and agree this Agreement is binding on my spouse, partner, family, minor child, heirs, agents, trustees, beneficiaries, representatives, relatives, successors, and assigns, and I agree to all the terms and conditions of this Agreement on my own behalf and on behalf of my minor for purposes of permitting our Using the Facility. ARIZONA WINTER CIRCUIT 2024

EQUINE HEALTH AND BIOSECURITY REQUIREMENTS

Up-to-date Arizona Winter Circuit Biosecurity Protocols and Practices are available online at deserthorsepark.com. These new protocols and practices have been developed in consultation with UC Davis, CDFA, and US Equestrian.

The new protocols and practices will require additional documentation regarding the health of horses arriving at the Arizona Winter Circuit. These include the following below:

PROOF OF VACCINATION AND COMPLIANCE WITH GR844

Required

Via a signed statement from the attending veterinarian that the horse has been vaccinated against the following:

Within 6 months (180 days) of each show: Equine Influenza (EIV)

Within 6 months (180 days) of each show: Rhinopneumonitis (EHV-1 and EHV-4)

If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for that show. Statement of vaccination must be on Official veterinary Letterhead and must contain the Show Name of each horse.

If the vaccine has been administered by a person other than a veterinarian, the exhibitor must provide, upon request, a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; the name, serial number, and expiration date of the vaccine; and the date of the vaccine administration.

III. Judging System

- A. Each class may have the option of having either one (1) or two (2) panels of judges. Each panel will consist of two (2) judges sitting together. One (1) judge on each panel must be a “R” judge, the other judge on each panel may be either a “R” or “r” judge. Each panel will provide one (1) score for each round. See “E” for calculating the Overall Score. **Management may choose to run a standard formatted Derby with fifteen(15) or fewer entries with one (R) judge.**
- B. No panel may award the same base score to any two (2) competitors in any one round unless a competitor’s score is below the cut-off score. A numerical score must be given and may be a duplicate score if it is under the cut-off.
- C. The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the **judge(s)** base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- D. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. **Handiness is taken into account in the judges’ base score.** After the **judge(s)** base score is given, one (1) point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
- E. Overall Score - The final score from each round (3’0” with 3’5” options) will be added to obtain the overall total for each horse.

F. Hunt and Go

***Please note this Hunt and Go is judged differently than the International Hunter Derby Hunt and Go.**

Alternatively, the Hunt and Go option may be utilized in lieu of the traditional format. The Hunt and Go format will consist of two (2) phases, one (1) Classic Hunter and one (1) Handy Hunter. The phases will be jumped consecutively. All participants will complete both the Classic and the Handy portions even if penalties (rails, refusals, etc.) are incurred. Major penalties (falls, 3 refusals, off course, etc.) will result in elimination.

1. Standard Hunt and Go Format

- The Classic Hunter Round, consisting of **five to seven(5-7)** fences with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going.
- After the completion of the classic round horses will pick up their pace and pass through a set of markers to begin their handy portion of the class. **Riders are not permitted to walk or pause between rounds.** The Handy Hunter Round,

ARIZONA WINTER CIRCUIT 2024

\$2,500/3,500 USHJA NATIONAL HUNTER DERBY

consisting of five to seven(5-7) with two (2) high options, shall be judged on quality, movement, jumping style, manners and way of going. Pace, brilliance, and a shorter track are to be rewarded. A horse/rider may not jump decorations or other obstacles in order to create a shorter track.

- c. **Two (2) judges are required to judge the class.** Each judge will be designated either the Classic Hunter Phase or the Handy Hunter Phase. Each will provide a single score for their designated phase, in addition to the Bonus points of one point per high option jump that will be added to each judging's score. The scores from each judge will be added together to determine the total score and placement.
- d. A judging assistant may be present during all phases of the competition. The duties of the judging assistant include notifying the Judges if a rail comes down and when a horse jumps the higher height option fences. The judging assistant is not required to be a licensed official and is not responsible for the scoring of the judging panels. A competition staff member may fill this role.
- e. The Option Bonus Score of one (1) additional point for each higher height option fence jumped must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse- and-rider combination does jump the higher height option fence.
- f. For the Hunt and Go Format it is recommended that the judge designated to the Classic Hunter phase be the tie breaker.

IV. **Tie Breaking Procedures**

- A. No judge or panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score.
- B. Any ties in all rounds will be broken by the base score (before adding height bonus points) of that round.
- C. Unless the prize list states that more than twelve (12) entries are to return for the second round, only the top twelve (12) horses from the first round, after all ties are broken, are eligible to return for the second round.
- D. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height bonus points).
- E. Ties for other than first place in the overall standings will be broken using the second round base score (before adding height bonus points).
- F. Prior to the start of the class, if two (2) judging panels are used, one (1) panel must be designated as the tie breaking panel for the first round and another panel must be designated as the tie breaking panel for the second round. The tie breaking panel for the first round will also be designated as the tie breaking panel for the jump-off round.

V. **Schooling**

- A. During the two (2) rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.

VI. **Order of Go**

- A. The order of go must be posted a minimum of one (1) hour prior to the start of the class.

ARIZONA WINTER CIRCUIT 2024

\$2,500/3,500 USHJA NATIONAL HUNTER DERBY

- B. In the case of multiple horses being ridden by the same rider, every effort will be made so that there will be a minimum of eight horses (if available) separating multiple rides. All horses must be ridden in the sequence that appears on the jumping order in the first round of the competition. In the second round horses will return in reverse order of their first round scores (lowest to highest). Due to multiple rides or rider conflicts, any rider may elect to move up in the order. Should a jump-off occur, horses will return in the same order in which they competed in the second round.
- C. The draw may be performed by hand or competition management may host a computer draw.

VII. Awards Presentation

- A. All riders in the top twelve (12) overall (or their designated representative if not available) must ride for ribbons in order to receive prize money. Although not required, a show may choose to award separate ribbons for the first round if so stated in the prize list.
- B. Judges are required to pin to 12th place (plus two reserve placings) for the purpose of awarding zone bonus points.
- C. Ribbons and prize money are required to be awarded through 12th place per the prize money breakdown provided in section X.A.
- D. Competitions may award ribbons to the highest placing junior hunter rider and highest placing amateur hunter rider in addition to the awards for the overall top twelve (12) riders if so stated in the prize list.

COLORADO HUNTER JUMPER ASSOCIATION:

General Information

Every member must use their own account to join or renew their membership and record horses.

Horse's can only be recorded on accounts of members that have a full CHJA membership. Outreach memberships do not require horse recording.

Horses can only belong to one member account. In the case of a jointly owned horse, you must decide who is the primary owner and record the horse on that account.

You cannot record a horse on behalf of another member.

If a horse has been sold or leased to another member, the other member has to initiate the recording in order to move the horse to their account.

Be sure to use only the horse's owner (or official lessee) on all show entry forms to avoid problems with points.

Are you planning on showing at CHJA recognized USEF shows? Be sure to put your USEF number in your profile, and that each horse you are planning to show has a USEF number entered in their profile. This will avoid missing points from USEF shows.

Remember: "My Account" is your gateway to managing and reviewing everything on your account: membership, horse recording, your personal results, past payments, and more.
